Electric service is limited and not included in the basic booth fee. Requests for electric service should be made at the time of application and is on a first come first served bases. Additional fees will apply depending on your electrical requirements.

Electric service for vendors requesting service is \$100.00

Electric service for food vendors and mechanical devices is \$150.00

Service of an electrician if needed is at your expense. The fair office will provide information on an outside electrician approved by the fair. A heavy duty electrical cord of 100' is suggested.

The fair does not provide tables or chairs

All vendors are required to decorate the outside area of their space. Acceptable items are: fresh flowers, trees, shrubs, rubber matting, rope lighting, hay bales just to name a few. The appearance of your vendor space will determine your acceptance as a vendor for the following year.
